50th Anniversary

Listening Tour

COAEYC is celebrating our 50th Anniversary! We would not be an organization without our members! As part of our celebration and appreciation of you, the board will be traveling around the state to meet, sit down, talk together, and collect your insights and wisdom about Early Childhood Education and how COAEYC can better work towards becoming a more High Performing and Inclusive Organization.

We hope to see you soon, **9am to 11am**, in your part of the state!
